

Hello,

My name is Trisha Hannan and I live in Bedfordshire, England. On a personal note I retrain ex-racehorses for a new job in life, its extremely challenging but very rewarding. I have a daughter Emily with Cardio-facio-Cutaneous Syndrome., and another daughter Jessica.

If you, or someone you know has a child with Cardio-facio-cutaneous syndrome, and would like some support and someone to chat with, please don't hesitate to contact me at patricia.hannan@tesco.net or +44(0) 1525 404611

Best wishes,
Trisha
